

The listing here acknowledges all whose donations arrived during our LAST fiscal year – between September 1, 2021 and August 31, 2022. In our current fiscal year (that began this September), some people have already gotten a headstart on your annual donations. We are indeed grateful for all who have already sent your gifts as signs of support for Womanspace! Some are sharing part of their retirement distribution; some arrange for regular monthly or quarterly donations through their banks. Some just surprise us with a large overnight donation out of the blue. Whatever, however and whenever you give, please know that Womanspace is most grateful.
